

Welcome to **NEURA Robotics**, the innovator of the robotics world. Our goal is to equip collaborative robots with groundbreaking cognitive capabilities to enable safe and intuitive collaboration with humans. Under the leadership of founder David Reger, we have spent the first years of **NEURA Robotics** laying the foundations for humans and robots to work hand in hand.

"We serve humanity" is not just a motto, but our mission. Become part of our ambitious, international company and shape the future of robotics with us.

Welcome to **NEURA Robotics** - where innovation meets team spirit.

Your mission & challenges

Together, we are taking the step into a new era of cognitive robots:

- **Trademark & Patent Law:** Provide legal counsel on intellectual property rights, support the registration and enforcement of trademarks and patents, and defend against infringement claims.
- **Contract Law:** Review, draft, and negotiate national and international contracts, including licensing agreements, development and cooperation agreements, and NDAs.
- **Compliance & Risk Management:** Ensure legal compliance in all business activities, particularly in IP protection and technology partnerships.
- **AI & Data Protection:** Assess legal implications of AI technologies, including liability and data protection issues related to autonomous systems and machine learning.

- **Cross-Department Collaboration:** Work closely with R&D, product management, and executives to legally safeguard strategic business decisions.

What we can look forward to

- Fully qualified lawyer with authorization as an in-house counsel.
- Several years of experience in trademark, patent, and contract law (preferably in the technology sector).
- Knowledge of AI law and data protection is a plus.
- Structured, solution-oriented, and entrepreneurial mindset.
- Strong communication skills and the ability to explain complex legal matters clearly.
- Fluent in German and English (business proficiency).

What you can look forward to

- Become part of an agile company, actively shape topics and benefit from flat hierarchies in a highly motivated team
- Enjoy an attractive salary, flexible working hours and 30 days of vacation
- The freedom to contribute your own ideas and drive them forward
- Celebrate successes together with company events
- Take advantage of our corporate benefits program
- And even more fun with great colleagues

Apply

We are looking forward to meeting you and shaping the future of robotics together. Are you in?

Couldn't find a suitable position? Please send us an unsolicited application.

We are always looking for passionate tech enthusiasts to help us revolutionize the world of robotics!
