

Welcome to **NEURA Robotics**, the innovator of the robotics world. Our goal is to equip collaborative robots with groundbreaking cognitive capabilities to enable safe and intuitive collaboration with humans. Under the leadership of founder David Reger, we have spent the first years of **NEURA Robotics** laying the foundations for humans and robots to work hand in hand.

**"We serve humanity"** is not just a motto, but our mission. Become part of our ambitious, international company and shape the future of robotics with us.

Welcome to **NEURA Robotics** - where innovation meets team spirit.

## Your mission & challenges

As M&A Manager, you will be at the forefront of NEURA's growth strategy. You will work closely with executive leadership, finance, legal, and technical teams to evaluate, execute, and integrate strategic acquisitions and partnerships.

- Identify and evaluate potential M&A opportunities aligned with NEURA's long-term strategy
- Perform financial modeling, valuation, and due diligence for target companies
- Lead deal execution from initial assessment through integration
- Coordinate with internal stakeholders and external advisors (legal, tax, financial)
- Prepare investment memos and presentations for executive and board approval
- Support post-merger integration and monitor value creation metrics
- Track industry trends, competitors, and emerging technologies relevant to NEURA's ecosystem

# What we can look forward to

- Master's degree in Finance, Business, Economics, Engineering, or related field
- 3+ years of experience in M&A, investment banking, corporate development, or management consulting
- Strong financial modeling and analytical skills
- Excellent communication and stakeholder management abilities
- Experience working with tech or robotics companies is a plus
- Fluent in English; German is a plus

# What you can look forward to

- Become part of an agile company, actively shape topics and benefit from flat hierarchies in a highly motivated team
- Enjoy an attractive salary, flexible working hours and 30 days of vacation
- The freedom to contribute your own ideas and drive them forward
- Celebrate successes together with company events
- Take advantage of our corporate benefits program
- And even more fun with great colleagues

**Apply**

**We are looking forward to meeting you and shaping the future of robotics together. Are you in?**

Couldn't find a suitable position? Please send us an unsolicited application.

We are always looking for passionate tech enthusiasts to help us revolutionize the world of robotics!
