Welcome to **NEURA Robotics**, the innovator of the robotics world. Our goal is to equip collaborative robots with groundbreaking cognitive capabilities to enable safe and intuitive collaboration with humans. Under the leadership of founder David Reger, we have spent the first years of **NEURA Robotics** laying the foundations for humans and robots to work hand in hand.

"We serve humanity" is not just a motto, but our mission. Become part of our ambitious, international company and shape the future of robotics with us.

Welcome to **NEURA Robotics** - where innovation meets team spirit.

Your mission & challenges

- Independent processing of ongoing accounting tasks (accounts receivable, accounts payable, and general ledger accounting)
- Reconciliation and clarification of accounts
- Preparation of VAT returns and other statutory reports
- Assisting in the preparation of monthly, quarterly, and annual financial statements according to HGB
- Preparation and support for year-end financial statements

What we can look forward to

- Successfully completed commercial training
- Several years of professional experience in accounting
- Proficiency in MS Office
- Solid knowledge of commercial and tax law
- Careful, structured and self-reliant working style
- Team spirit, discretion and reliability
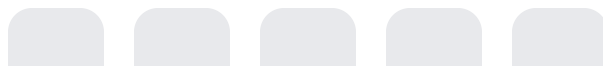

What you can look forward to

- Become part of an agile company, actively shape topics and benefit from flat hierarchies in a highly motivated team
- Enjoy an attractive salary, flexible working hours and 30 days of vacation
- The freedom to contribute your own ideas and drive them forward
- Celebrate successes together with company events
- Take advantage of our corporate benefits program
- And even more fun with great colleagues

Apply

We are looking forward to meeting you and shaping the future of robotics together. Are you in?

Couldn't find a suitable position? Please send us an unsolicited application.
We are always looking for passionate tech enthusiasts to help us revolutionize the world of robotics!
