

Welcome to **NEURA Robotics**, the innovator of the robotics world. Our goal is to equip collaborative robots with groundbreaking cognitive capabilities to enable safe and intuitive collaboration with humans. Under the leadership of founder David Reger, we have spent the first years of **NEURA Robotics** laying the foundations for humans and robots to work hand in hand.

"We serve humanity" is not just a motto, but our mission. Become part of our ambitious, international company and shape the future of robotics with us.

Welcome to **NEURA Robotics** - where innovation meets team spirit.

Your mission & challenges

In our Finance department, it's not just about bookkeeping and numbers – we build the financial foundation for a promising future. In a dynamic environment, we combine innovative ideas with precise financial management to ensure the sustainable success of our company.

Your main tasks include:

- Preparing reports for investors and management
- Acting as the right hand to our CFO and serving as a strategic partner on all finance-related matters
- Leading controlling activities by analyzing our company and processes and identifying optimization potential

- Preparing and managing the budgeting process, including rolling forecasts
- Supporting special topics related to the annual financial statements and the external audit process

What we can look forward to

- A degree in Business Administration, Finance, or a comparable qualification
- Experience in FP&A
- At least three years of relevant professional experience
- Strong knowledge of accounting and IFRS
- Excellent Excel skills and outstanding analytical abilities
- An entrepreneurial mindset

What you can look forward to

- Become part of an agile company, actively shape topics and benefit from flat hierarchies in a highly motivated team
- Enjoy an attractive salary, flexible working hours and 30 days of vacation
- The freedom to contribute your own ideas and drive them forward
- Celebrate successes together with company events
- Take advantage of our corporate benefits program
- And even more fun with great colleagues

Apply

We are looking forward to meeting you and shaping the future of robotics together. Are you in?

Couldn't find a suitable position? Please send us an unsolicited application.

We are always looking for passionate tech enthusiasts to help us revolutionize the world of robotics!
