

Welcome to **NEURA Robotics**, the innovator of the robotics world. Our goal is to equip collaborative robots with groundbreaking cognitive capabilities to enable safe and intuitive collaboration with humans. Under the leadership of founder David Reger, we have spent the first years of **NEURA Robotics** laying the foundations for humans and robots to work hand in hand.

"**We serve humanity**" is not just a motto, but our mission. Become part of our ambitious, international company and shape the future of robotics with us.

Welcome to **NEURA Robotics** - where innovation meets team spirit.

Your mission & challenges

To support our next phase of growth, we are looking for a highly motivated and analytical intern to join our Strategy & Corporate Development team.

- Support the Corporate Development team in analyzing, planning, and executing strategic initiatives
- Contribute to projects related to M&A, investments, and strategic partnerships
- Conduct market, competitor, and company analyses and prepare insights for decision-making
- Assist in building business cases, financial models, and management presentations
- Prepare structured reports and presentations for senior leadership

What we can look forward to

- You are currently enrolled in a degree program in Business Administration, Economics, Industrial Engineering, or a related field
- Strong interest in strategy, corporate development, M&A, or investment banking
- Excellent analytical and problem-solving skills with a structured and independent working style
- Proficiency in MS Excel and PowerPoint (experience with financial modeling is a plus)
- First practical experience in strategy, consulting, finance, or a startup environment is a plus
- High level of motivation, ownership, and entrepreneurial mindset
- Fluent in German and English

What you can look forward to

- Become part of an agile company, actively shape topics and benefit from flat hierarchies in a highly motivated team
- The freedom to contribute your own ideas and drive them forward
- Celebrate successes together with company events
- And even more fun with great colleagues

[Apply](#)

We are looking forward to meeting you and shaping the future of robotics together. Are you in?

Couldn't find a suitable position? Please send us an unsolicited application.

We are always looking for passionate tech enthusiasts to help us revolutionize the world of robotics!
