

Welcome to **NEURA Robotics**, the innovator of the robotics world. Our goal is to equip collaborative robots with groundbreaking cognitive capabilities to enable safe and intuitive collaboration with humans. Under the leadership of founder David Reger, we have spent the first years of **NEURA Robotics** laying the foundations for humans and robots to work hand in hand.

**"We serve humanity"** is not just a motto, but our mission. Become part of our ambitious, international company and shape the future of robotics with us.

Welcome to **NEURA Robotics** - where innovation meets team spirit.

## Your mission & challenges

As a Technical Sales Engineer, you will be responsible for promoting and selling our technical products and services to clients. Your role involves understanding customer needs, providing technical expertise, and delivering tailored solutions to meet their requirements.

- Collaborate with customers to ensure successful integration and implementation of products within their specific projects and applications
- Establish and understand the technical needs of customers and recommend appropriate products
- Explain complex technical information in an easily understandable manner to customers
- Follow up with customers to resolve any issues and ensure satisfaction and keep them informed about new technological products and updates

- Compile proposals and reports related to technical products
- Consistently meet sales targets and report sales performance to management

## **What we can look forward to**

- Bachelor's degree in IT, business, or a related field
- Minimum of 2 years of experience in sales or marketing
- Strong technical knowledge and understanding of company products
- Excellent interpersonal and communication skills
- Ability to identify and follow up on leads and close deals
- Valid driver's license and willingness to travel extensively

## **What you can look forward to**

- Become part of an agile company, actively shape topics and benefit from flat hierarchies in a highly motivated team
- Enjoy an attractive salary, flexible working hours and 30 days of vacation
- The freedom to contribute your own ideas and drive them forward
- Celebrate successes together with company events
- Take advantage of our corporate benefits program
- And even more fun with great colleagues

**Apply**

**We are looking forward to meeting you and shaping the future of robotics together. Are you in?**

Couldn't find a suitable position? Please send us an unsolicited application.

We are always looking for passionate tech enthusiasts to help us revolutionize the world of robotics!
