

Welcome to **NEURA Robotics**, the innovator of the robotics world. Our goal is to equip collaborative robots with groundbreaking cognitive capabilities to enable safe and intuitive collaboration with humans. Under the leadership of founder David Reger, we have spent the first years of **NEURA Robotics** laying the foundations for humans and robots to work hand in hand.

"**We serve humanity**" is not just a motto, but our mission. Become part of our ambitious, international company and shape the future of robotics with us.

Welcome to **NEURA Robotics** - where innovation meets team spirit.

Your mission & challenges

We are looking for a motivated intern who, with curiosity and passion, will support legal matters in an innovative technology company and actively contribute to creating safe and future-oriented solutions.

- Support the review, drafting, and negotiation of national and international contracts.
- Assist in developing and reviewing internal policies and processes.
- Support the identification and assessment of legal risks.
- Provide general administrative support to the legal team.

What we can look forward to

- Enrolled student in Business Law, Law, or a comparable field.
- Strong interest in technology law, particularly IT law, AI law, and international contract law.
- Analytical thinking, with a structured, independent, and solution-oriented working style.
- Excellent German and English skills, both written and spoken.
- Confident use of MS Office.
- Experience with legal tech tools is a plus.

What you can look forward to

- Become part of an agile company, actively shape topics and benefit from flat hierarchies in a highly motivated team
- Enjoy an attractive salary, flexible working hours and 30 days of vacation
- The freedom to contribute your own ideas and drive them forward
- Celebrate successes together with company events
- Take advantage of our corporate benefits program
- And even more fun with great colleagues
