

Welcome to **NEURA Robotics**, the innovator of the robotics world. Our goal is to equip collaborative robots with groundbreaking cognitive capabilities to enable safe and intuitive collaboration with humans. Under the leadership of founder David Reger, we have spent the first years of **NEURA Robotics** laying the foundations for humans and robots to work hand in hand.

"**We serve humanity**" is not just a motto, but our mission. Become part of our ambitious, international company and shape the future of robotics with us.

Welcome to **NEURA Robotics** - where innovation meets team spirit.

Your mission & challenges

Do you want to do more than just watch from the sidelines? Are you interested in procurement, technology, and cutting-edge robotics? Then you might be exactly who we're looking for.

At NEURA Robotics, we develop intelligent robotic systems that redefine the future of automation. To make all of this happen, a strong procurement team is essential – and this is where you come in.

We are looking for a **full-time intern** (40h/week), ideally for a duration of six months, to support our Procurement team and gain hands-on experience in a fast-moving high-tech environment.

Your tasks:

- Support in operational and strategic procurement activities
- Requesting, comparing, and evaluating supplier offers

- Assisting in supplier communication and selection processes
- Supporting purchasing processes and maintaining data in our ERP system
- Contributing to procurement-related projects and process improvements
- Close collaboration with engineering, production, and logistics teams

What we can look forward to

- Studies in Business Administration, Industrial Engineering, Supply Chain Management, or a related field
- Strong interest in procurement, technology, and industrial processes
- Structured and detail-oriented working style
- Confident use of MS Office (especially Excel)
- Strong communication skills and a proactive mindset
- Fluent German and very good English skills

What you can look forward to

- Become part of an agile company, actively shape topics and benefit from flat hierarchies in a highly motivated team
- Enjoy an attractive salary and flexible working hours
- The freedom to contribute your own ideas and drive them forward
- Celebrate successes together with company events
- And even more fun with great colleagues
