

Welcome to **NEURA Robotics**, the innovator of the robotics world. Our goal is to equip collaborative robots with groundbreaking cognitive capabilities to enable safe and intuitive collaboration with humans. Under the leadership of founder David Reger, we have spent the first years of **NEURA Robotics** laying the foundations for humans and robots to work hand in hand.

"We serve humanity" is not just a motto, but our mission. Become part of our ambitious, international company and shape the future of robotics with us.

Welcome to **NEURA Robotics** - where innovation meets team spirit.

Your mission & challenges

As the personal driver to our Chief Executive Officer (CEO), you take on a position of great responsibility at the heart of our company. You ensure that our CEO always arrives safely, punctually, and reliably at every destination – whether it's an important business meeting, conference, or site visit within Germany or abroad. If you bring strong organizational skills, discretion, and a passion for driving at the highest level, then you're exactly who we're looking for.

Your main tasks include:

- Responsible execution of driving duties for the Chief Executive Officer (CEO) as part of his professional obligations
- Reliable and punctual transportation to internal and external business meetings, conferences, and company sites within Germany and, if required, across Europe

- Ensuring the company vehicle is always in perfect working and presentable condition, including cleaning, refueling, maintenance, and coordination of service appointments
- Providing logistical support within the daily operations of the executive office (e.g., document deliveries, pick-ups)
- Willingness to work flexible hours

What we can look forward to

- You have experience in this
- and also experience in that
- You are familiar with our field of work
- Your communication skills make you shine
- You have a perfect command of the English language and, best of all, speak German well

What you can look forward to

- Several years of professional experience as a driver in a high-level or executive environment, ideally within a board or management context
- Valid Class B driver's license and a clean criminal record
- Strong sense of responsibility, loyalty, and discretion
- Well-groomed appearance and confident, courteous demeanor
- Excellent driving skills and a calm, professional driving style, even under time pressure or in demanding traffic situations
- High degree of flexibility and resilience, with a willingness to work flexible hours
- Proficient in written and spoken German and English

Apply

We are looking forward to meeting you and shaping the future of robotics together. Are you in?

Couldn't find a suitable position? Please send us an unsolicited application.

We are always looking for passionate tech enthusiasts to help us revolutionize the world of robotics!
