

Welcome to **NEURA Robotics**, the innovator of the robotics world. Our goal is to equip collaborative robots with groundbreaking cognitive capabilities to enable safe and intuitive collaboration with humans. Under the leadership of founder David Reger, we have spent the first years of **NEURA Robotics** laying the foundations for humans and robots to work hand in hand.

"We serve humanity" is not just a motto, but our mission. Become part of our ambitious, international company and shape the future of robotics with us.

Welcome to **NEURA Robotics** - where innovation meets team spirit.

Your mission & challenges

As a Mechanical Assembler (Human) you take responsibility for the mechanical assembly of components and machines, working closely with technical drawings and specifications to ensure precise manufacturing.

Your main responsibilities include:

- Mechanical assembly of components and machines according to technical drawings and specifications
- Fitting and adjusting parts while considering technical requirements
- Conducting quality inspections of components and assemblies
- Wiring and integrating mechanical and electrical components
- Troubleshooting and resolving issues during assembly
- Documenting the work performed

What we can look forward to

- Completed education as an industrial mechanic, mechatronics technician, or a comparable qualification
- Experience in mechanical assembly and fitting of components
- Proficient in reading technical drawings and assembly instructions
- Knowledge in quality assurance and testing of electromechanical assemblies
- Knowledge of wiring and electrical installations is an advantage
- Manual dexterity, technical understanding, and a precise working method
- Teamwork, reliability, and initiative

What you can look forward to

- Become part of an agile company, actively shape topics and benefit from flat hierarchies in a highly motivated team
- Enjoy an attractive salary, flexible working hours and 30 days of vacation
- The freedom to contribute your own ideas and drive them forward
- Celebrate successes together with company events
- Take advantage of our corporate benefits program
- And even more fun with great colleagues
